“ Dear Sara:

Jack and I were shocked and saddened to hear about Larry. He surely will be missed! How many wonderful memories we have when we met at your home for Bible Study those many months of Sundays. Both you and Larry were gracious hosts - (and, one of you knew how to make a great cup of coffee!) Those were very special times with special people of God. Know that our thoughts are with you at this time. Our love to your family.

“ As a high school friend of Dewayne, I recall that he was an extremely well-mannered, outgoing person who had lots of friends. His life and mannerisms were an example to all of us. I hadn't seen him for many years until today at his service in Rector, but I am not at all surprised to hear and read the many accolades in his behalf. All of us always knew that he would have a happy, successful life. He was truly a wonderful person. My condolences to his family.

“ Dear Sara and family: We are extremely saddened by Larry's passing. We loved Larry, and even though we knew him for such a short period of time, we felt as though we had know him his entire life. We treasure the times we spent with you and Larry, and as you know, Larry was our only connection to my father Virgil's extended family. We found that Larry exhibited the same warmth and compassion that was characteristic of my father, and we will cherish our memories of him. On behalf of myself, Myrtle Campbell, Joey Campbell, Linda Pendergrass and our families, I extend our thoughts and prayers to you and yours during this time of sorrow.

“ Dear Sara,  
Our hearts are so saddened at the news of Larry's passing. Even though we haven't been real close over these years after we attended Arkansas State University, I will never forget the brotherhood that we had playing basketball at Marmaduke High School. During those years we were like brothers. We were the first Marmaduke team to ever reach the finals of the State Tournament and Dewayne, was a major reason for our success.  
He was our brother,our commrade,and our mentor.  
Love,
